
Romantic Weekend / Surprise Party in February

Posted by montie - 2007/11/21 20:55

Afternoon,

My wife and I are coming to Spruce Pine around for 4-5 days around Valentines Day for our 3rd honeymoon (probably be there from the 10-5. I would like to make this a memorable event. I'm thinking that we'll have dinner one night at the restaurant on 221 (near the Pkwy) and go horseback riding.

I would like to have a surprise party for her on her birthday. Is anyone game for attending? Maybe we can do it at the Italian restaurant on 221. I can order a bunch of pizzas for the event. Or maybe find someone to cook a pig?

Any thoughts on this? Kinda a community event.

Cheers,
Montie

We ended up postponing. I looks like we may end up rescheduling for the 2nd weekend in August.

Any suggestions?

Montie
